

Assigning Study Schedules

When subscribed Program Directors or Coordinators assign Study Schedules to residents, residents are able to view the Study Schedule and automatically receive weekly assignments of chapters to study and assessments to take.

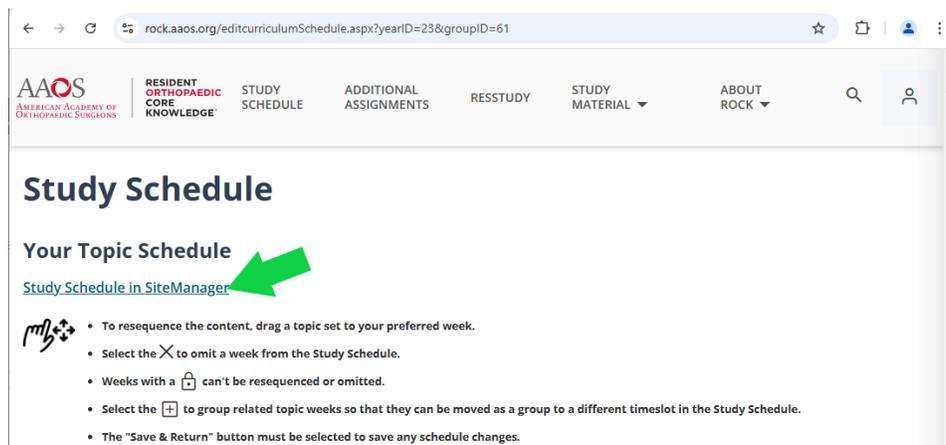

1) To assign a Study Schedule to residents, in the main navigation menu, select Study Schedule.

2) On the following screen, select Edit Schedule.

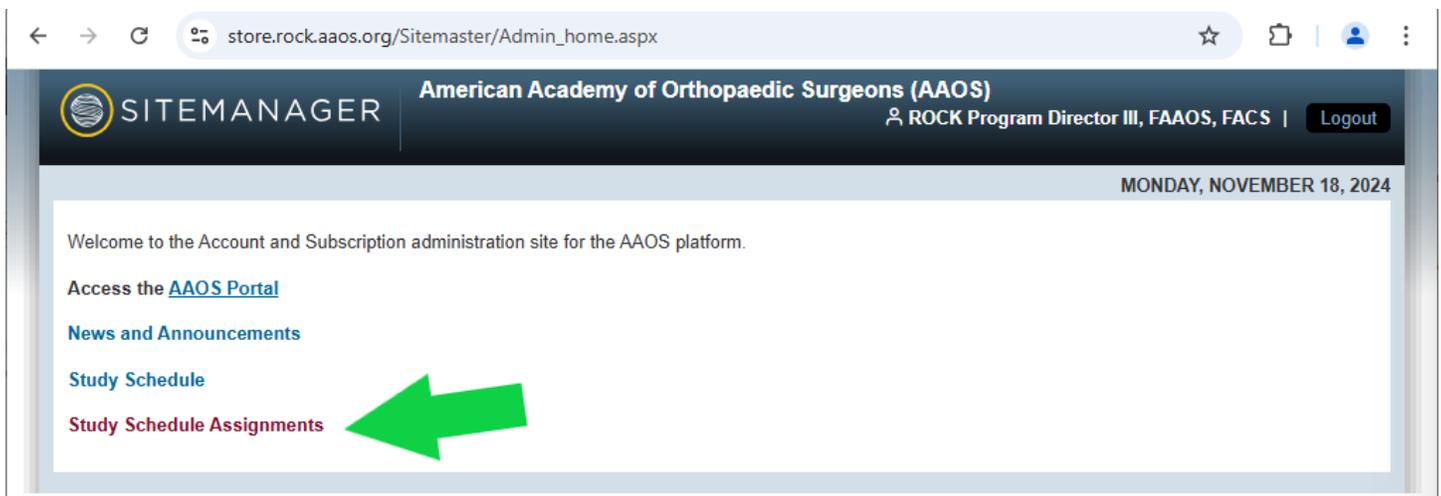

3) On the following screen, select Study Schedule in SiteManager.

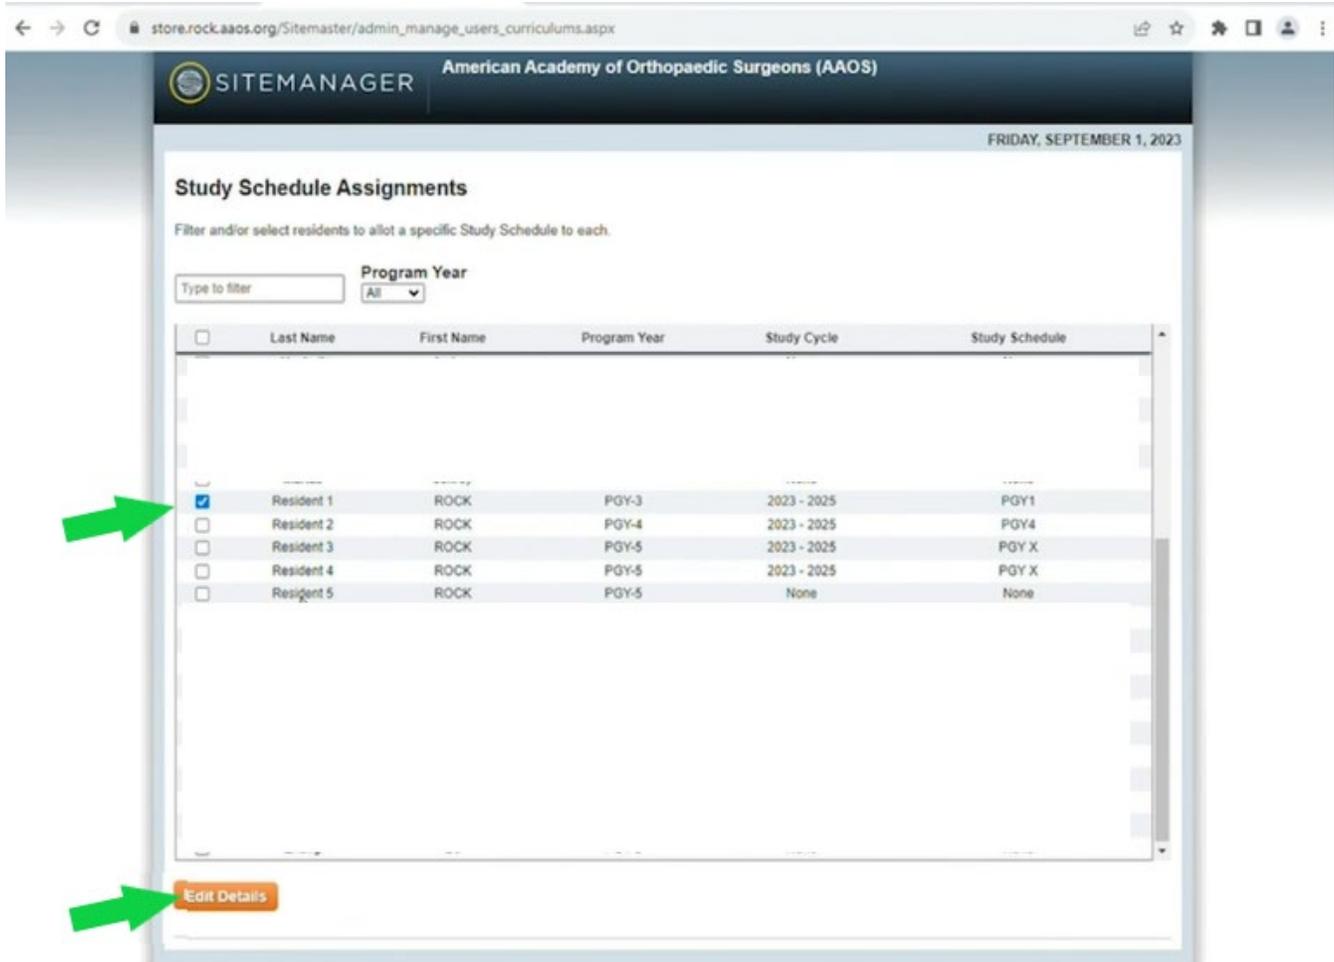

4) This opens a new tab. Select Log In with SSO from this menu.

5) From the menu, select Study Schedule Assignments.

6) Next, select the residents to whom the Study Schedule should be assigned. Then select Edit Details.

7)
