

Sending Feedback

As a live, online, ever evolving product, ROCK is continually updating content, features and functions per user need. There's a quick and easy way to communicate feedback, including issues, suggestions or questions to the ROCK team. Feedback can be sent from and about every page of rock.aaos.org

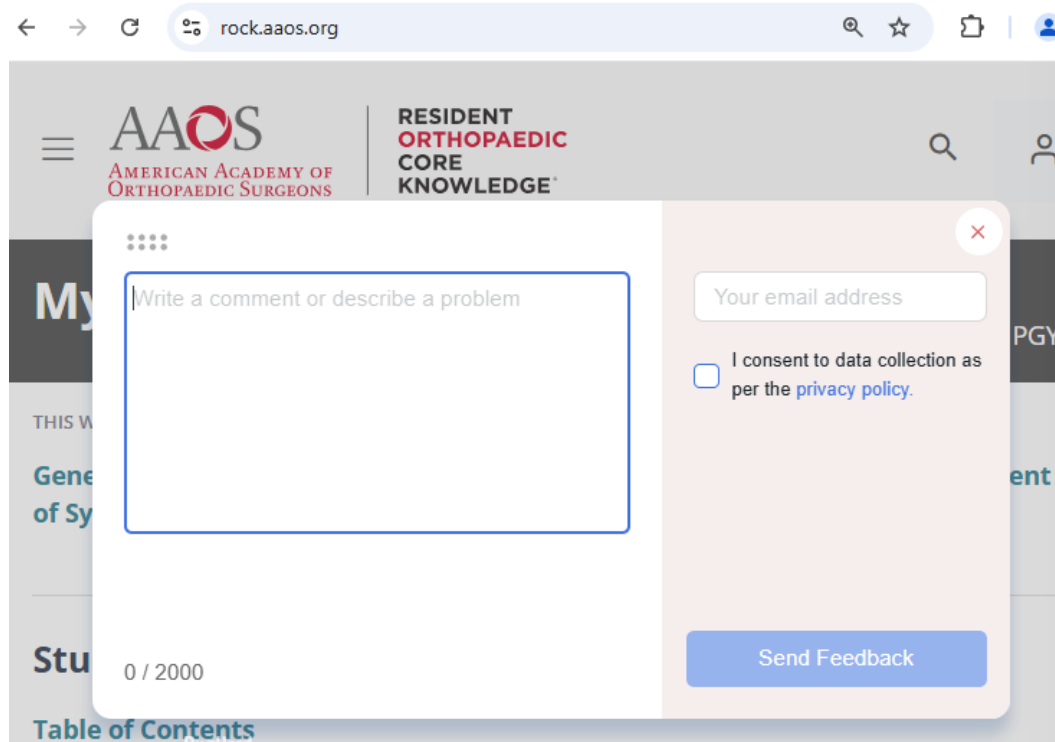

- 1) Navigate to rock.aaos.org, then locate and select the Send Feedback button at the bottom right.

The screenshot shows the rock.aaos.org website interface. At the top is a navigation bar with the AAOS logo, 'RESIDENT ORTHOPAEDIC CORE KNOWLEDGE', and various menu items like 'STUDY SCHEDULE', 'ADDITIONAL ASSIGNMENTS', 'RESSTUDY', 'STUDY MATERIAL', and 'ABOUT ROCK'. Below this is a 'My Dashboard' header with a greeting 'Hello, ROCK Resident 1' and 'Program Year: PGY-0'. The main content area is divided into sections: 'THIS WEEK'S CHAPTERS' (listing 'General Principles | Practice Management 2 + Principles of General Management of Systemic Disease 1'), 'Additional Assignments' (listing 'Acetabulum Due June 06, 2023'), and 'Reports' (listing 'Performance Dashboards'). There is also a 'Study Material' section with links for 'Table of Contents', 'Chapters', and 'Videos'. At the bottom, there are three buttons: 'FREE Faculty Access', 'Program Directors:', and 'Maximize Your Study Time'. A large green arrow points to a 'SEND FEEDBACK' button located in the bottom right corner of the page.

2) Select an element of the page or the whole page.

3) Describe the issue, suggestion, or question. (Include an email address to receive an individual follow-up message.) Then select Send Feedback to send and return to the main ROCK interface.

Members' needs, interests, and requests drive ROCK's continued development. By providing feedback, AAOS is able to improve ROCK on an ongoing basis to ensure a better product for all users. Thank you in advance.
